

Guide to Ordering and Shipping School Uniforms via Mailboxes etc

St. Ignatius Catholic School has set up a shipping account with Mail Boxes Etc. so that parents can order school uniforms directly from Lands End. Uniforms will be **automatically shipped** to the Cayman Islands via MBE's receiving centre in Miami, Florida. Parents will collect their uniforms orders from Mail Boxes Etc. in Camana Bay or you can arrange for delivery. The standard 22% import duty will be waived for school uniforms ordered through this programme. Parents are responsible for paying the shipping fees.

Please note that any queries regarding orders should be raised directly with LandsEnd or Mail Boxes Etc. rather than the School or the H.S.A. Executive Committee
